1. Father, "thou knowest the good that I do" not. Thou knowest I am poor wretched blind and dumb. I ache. Outside my father's house. Loneliness pervades me, not; but estranged I feel, so different, so alone.

2. My father loves me. This is the now. I/I've entered.
3. All things change. Perplexed now not; I enter the heaven I knew/am/was; I am again, replete with my father; at his table all time. Never not in his vineyards/care, I am the one I assigned me here. I came volitionally. Didn't you?

4. Absorbed in your busyness, your business, your lackluster environment? Or are you king for a moment snuffed out by your decision-making that now consumes you, on your throne, that you've placed yourself on; even worshipping the creator/created, from a distance, both, mainly money/worship of things acquired; acquisitioning thy sorrow, bringing it in as sheaves that stay/pin you to your things/sorrow.

5. I love you; alone you, not; see the one not alone/twain'd any longer.
6. I am free/existent in my father's blessing/house, and ALL, is mine/I am. I mean, I am, all! And everywhere I am, I am there! There is no where/there, without me! I am past all time. It exists without me, in it; or persists do I now, removing its' covering; of all'shame, not; perfection? I love you all.

7. Now this is one for the books, not; record of sorrows, now, unrecording/recorded it. I love you all. This is the me'sorrowing'alone one no more aching for my'your sin, eradicator liberator rides suffering jets of shame's stream of no'words'world no longer. I pierce the transmatrix once shuffling, riding flexibility/herd over me/so many, all, now I do, will have. Done. My father's blessing/command. Not to do evil; blessing, I've become. Blesser I knew/know, I now am/am. The one I sought sought me, seeks me/you, and we are where who we were, now sorrow aloneness leaves us. There can be no separation equal to my love.

8. My lover loves me, I pierce all sorrow, to be, my love. I am, now, the one lover loved, loving my lover into heaven; she once knew, as all things perfect/perfected were. Now knowing it/such again, is possible, remaineth now a doubt?, about all'sufferingville?, where thou art?, and what bemeaneth these things/all'sorrowings I write about, experience -ing, we all do/have?
